RECOMMENDATION LETTER

TT-Line Polska sp. z o.o. has cooperated with the law firm ZBROJA ADWOKACI, run by attorney Patryk Zbroja since 2019. The legal team of the law firm consists of the involved and open lawyers, who stand out as knowledgeable and legal professionals setting the highest standard of work in practice. All my inquiries were handled with attention and the law firm demonstrated readiness for challenges, flexibility, and availability.

TT-Line Polska appreciates most ZBROJA ADWOKACI's speed and effectiveness of actions and therefore it rates highly the so far cooperation, perceiving it as very fruitful.

It is my pleasure to recommend the legal services of ZBROJA ADWOKACI for business partners and individuals and I am looking forward to working with them on future projects.

With best regards,

Aneta Wencel
