Zbroja Adwokaci Sp.K.

Ul. Przestrzenna 11/4
70-800 Szczecin

Skaut sp. z o.o. is pleased to recommend Zbroja Adwokaci sp.k., emphasizing their professionalism, which we had the opportunity to experience during our cooperation. The law firm has proven to be an indispensable partner in the ongoing handling of shipyard matters, effectively managing both domestic and international aspects of our operations.

In particular, we appreciate their commitment to handling an international commercial dispute related to yacht repairs within the EU. Their extensive experience in negotiations and comprehensive legal analysis enabled us to manage risks effectively and achieve optimal results in the proceedings.

The law firm was also an invaluable advisor in matters concerning warranty claims and in assessing the legitimacy of pursuing international claims, especially those connected with non-payment for services rendered. Thanks to the support of the Zbroja Adwokaci team, we were confident that our actions were both legally compliant and – equally important – effective in asserting our rights.

In the area of projects funded by EU resources, the firm assisted us in correctly carrying out procedures, ensuring compliance with formal requirements. Additionally, the preparation of general contract terms in the spirit of plain language and legal design was a great asset, facilitating our communication with clients.

Zbroja Adwokaci is a partner one can rely on in complex international matters as well as in everyday legal challenges.
