The West Pomeranian District Sailing Association is pleased to recommend the law firm Zbroja Adwokaci sp.k. as a professional partner in the field of legal services, particularly in the maritime economy and yacht industry.

From the very beginning of our cooperation, the firm has effectively supported the Board in the day-to-day operations of the Association, providing assistance in addressing the most significant legal challenges.

The firm has been an invaluable asset in the organization of the Association's assemblies, ensuring the compliance of resolutions and decisions with the law. Their participation in legal consultations and dispute resolution – including negotiations and the drafting of agreements – has enabled the efficient resolution of complex legal matters. Collaboration with the firm has provided the Board with valuable guidance, essential for the proper functioning of the Association.

Furthermore, Zbroja Adwokaci supports the Association's administrative initiatives as well as our involvement in larger projects, ensuring that our activities remain in full compliance with our statute. The firm also assists in coordinating cooperation with governmental and local authorities, as well as with other associations, thereby facilitating the effective implementation of our objectives.

The firm is also responsible for handling procedures related to amendments in the National Court Register, as well as for drafting and reviewing contracts with contractors and other entities, ensuring that all documents comply with applicable laws and protect the interests of the Association.

We wholeheartedly recommend Zbroja Adwokaci as a trustworthy and highly professional legal partner that provides effective support to many organizations, including our own.
